### Call for Tender to Supply Veterinary drugs and vitamins to PRISM Project

Heifer Rwanda is co-financing and jointly implementing the Partnership for Resilient and Inclusive Small Livestock Markets (PRISM) with the Government of Rwanda through Rwanda Agriculture Board/Single Project Implementation Unit-International Fund for Agricultural Development-funded Projects (RAB/SPIU-IFAD). PRISM is constituted of two complementary interventions, supported respectively by IFAD and ENABEL, whose content and strategies have been aligned, and which are being implemented jointly, under a common implementation mechanism. Heifer is implementing activities in the framework of the IFAD supported interventions.

Heifer International Rwanda seeks to invite interested registered companies to submit bids to supply veterinary drugs and vitamins for chicken and pig farmers. Interested companies should request the full tender document via [procurement-rw@heifer.org](mailto:procurement-rw@heifer.org) and should clearly indicate **"EOI TO SUPPLY VETERINARY DRUGS AND VITAMINS"** in the subject title, by and not later than **March 18<sup>th</sup> 2022 at 5.00pm local time**.

Done at Kigali, on March 10<sup>th</sup>, 2022
