ADVERTISING FOR SUPPLYING LIME

Introduction

The Nasho Irrigation Cooperative (NAICO) is a legally Cooperative with registration number Nr:RCA/0334/2016, located in Nasho Sector, Kirehe District. It was formed to bring together about 2000 smallholder farmers within Nasho Irrigation project site.

The objective of NAICO is to support members with the cooperative to increase productivity and yield through proper utilization of modern irrigation infrastructure on an area of 1,173 hectares. and generate profits from farming activities.

Scope of works

NAICO would like to invite the interested companies or individuals to supply Lime for farm application. The qualities and quantity of lime needed are listed in the table below.

Bid assessment will be based on individual item.

ITEM	QUALITIES OF LIME NEEDED	UNIT	QUANTITIES
LIME	>35% OF Ca (Calcium)	KG	1,000,000
	>70% of CCE (Calcium Carbonate Equivalent)		
	Ph: >7		
	It needs to be a fine lime		

Note: Those who are willing to compete for the activity, are required to clarify the following details: source, quality, cost including transport per 1kg, they will be required to avail one bag as a sample to be tested. The proposal should be submitted electronically as PDFs document to nashoirrigation@gmail.com by **Friday, August 9, 2024 at 5:00 PM after the deadline, submission will not be considered.**
